

WAIT LIST APPLICATION
\$200 refundable deposit

Thank you for considering making Summerhill Cooperative of Maplewood your future home. You may be interested in being placed on our Wait List for the following reasons:

- *There are no units currently available and you are interested in living at Summerhill Cooperative of Maplewood*
- *The units available do not meet your needs and you want to be notified when a particular style or floor becomes available.*
- *As a current member, you wish to move to another style or location within the building*
- *As a current member, you have a family member who wishes to obtain YOUR unit when you move*

We will contact you when a unit of your choice becomes available. At that time, you are given the opportunity to buy that share/unit before it is offered to others (with the exception of current members and people who are higher on the Wait List). If you decide you are not ready to move when a unit becomes available, you may decline and you will be returned to the Wait List for the next time a unit that fits your needs becomes available.
